

AHAVA CIRCLE

This art is a circle of the 12 possible permutations of the Hebrew word for LOVE אהבה

The permutations correspond to the 12 months of the year and also the 12 hours of every day and night.

Kabbalah describes how this cycle of spiritual progression is a microcosm of our spiritual development to our ultimate state of unconditional love and divine union.

The circle reflects the holiness of dancing in a circle — dancing in each other's places to realize our oneness.
