

BAAL SHEM TOV TEACHING

This art is a teaching of the great spiritual master Rebbe Israel ben Eliezer, known as the Baal Shem Tov.

“The Baal Shem Tov taught: The entire Torah and the entire world contain God’s light of infinite goodness. All the verses of the Torah like “There is nothing but God” and “God fills the heavens and the earth” are true in their completely simple meaning as every single action, speech and thought has the essence of Godliness hidden in it!”
